Bilateral Meetings

- Thursday 09:30 - 15:30

Description

The M.E.P.S concept was created by (Dr) Hajah Sharifah Mazlina Syed Abdul Kadir since 1996 and has been widely adopted by various parties, participating in her motivational programs. M.E.P.S. concept also a worldly concern when it is successfully adopted by her in 2004 Antarctic Expeditions and the 2007 North Pole Expedition to create the world record as the first Muslim to cross the two poles. This own experience is a very convincing testimonial. The M.E.P.S concept teaches the use of positive mental power and can drive a positive feeling so that it can perform a wise and productive action and get dynamic social results.
