BILATERAL MEETINGS

Thursday 09:30 - 15:30

DESCRIPTION ComTech Systems LLC is a company from Serbia, established in 2013 by Haris Numan. The company deals in production of composite material technology and is specialized in Cast Polymer production technology (by casting a mixture or solid particles and liquid resins) in terms of knowhow transfer providing Total Concept System, engineering and fabrication of models, Master Molds, Production Molds and equipment specifically designed for this branch of industry. The company collaborates closely with the US based company Gruber Systems, and distributes their products in SEE and Middle East. The company also distributes GRACO USA, FANUC Robotics USA, MPI Marine Pultrusions International USA, Pinske EDGE USA, Surcare Australia, DORFNERGermany, etc. Apart for developing and producing Production Molds for third parties, the company started producing SanitaryWare, Gelcoated wash basins, bathtubs, vanity tops, shower pans, wall panels, window seals, solid surface SolidCORE work tops, undermount kitchen sinks and other architectural surfacing elements. The new investment is planned in order to increase the production capacity, quality, widen the product offer, introduce new technology and expand exports to Europe, Russia and Middle East. Current production capacity is 10.000 units annually and has 12 employees. It is planned that the entire production will be transferred from Serbia to Bosnia, to a new factory that will be built on a 10.000 sq meters land

plot, located just 25 kilometers from Sarajevo, along the main road Sarajevo-Mostar. The new production facility of approximately 2000 sq meters is planned to enable production of 130 to 150 units daily. Estimated Start: As soon as partnership has been established and assets available
Estimated Duration: 8 - 10 months, Estimated Investment: 2.5 million EUR Expected amount from an investor/partner: 1.5 million EUR Land Plot, Existing equipment and raw materials: 1.0 million EUR

ORGANIZATION TYPE Joint venture, Loan, Participation in project

ORGANIZATION SIZE less than 2.5 mill €
