

BILATERAL MEETINGS

Thursday 09:30 - 15:30

DESCRIPTION We are an urban strategist, finance-focused management consultancy based in Sarajevo. We work with Owners and Managers in the public and private sectors to assist their companies in creating and maintaining sustainable value. Our focus is to increase Internal Rate of Return (IRR) and Operating Profit for our clients. We have extensive experience in urban reshaping, finance, project management and tax advisory. Our mission is to provide clients with practical and timely knowledge for optimal decision-making.

As urban strategists, our role is to keep the big picture in sight, while simultaneously providing deep knowledge in strategic, market, financial, managerial and economic elements that make project possible and successful. This way we create sustainable micro or macro changes with in urban structures. To create the value, we are merging our knowledge of a market trends, urban and community needs with deep knowledge of management functionality with the focus on profitability of a project.

Additionally, we specialize in hotel, tourism & leisure consulting. Within this small market niche, we offer a complete portfolio of services: feasibility studies for the use of investors, developers, banks and hotel groups, operator and brand search and selection, guide through all development phases – in terms of (1) reviewing architecture & design aspects, (2) investment and time budgets, (3) operational issues, for existing properties – (4) asset management services, (5) general strategic advices or (6) performance improvements, (7) financing and investment advices.
