Thursday 09:30 - 15:30

DESCRIPTION In 1957, Butik Badem was opened in the heart of Sarajevo's Baščaršija. The sweet and fragrant trade has quickly acquired many loyal fans. Offering more and more demand for our products, in 2005, we founded the GA-ME-HA d.o.o. Today, our products are widely known and available on the entire market of Bosnia and Herzegovina. In the production process, we keep our traditional recipes while at the same time respecting demanding European standards. Leading the philosophy that quality is the best recipe for success, we have always selected only top quality ingredients for our products. Our goal is to produce healthy food because healthy food is the first precondition for a healthy life.
