<http://www.mojsan.ba>

BILATERAL MEETINGS

Thursday 09:30 - 15:30

DESCRIPTION MojSan® is the brand owned by company Delibašić poliuretani d.o.o. from Kakanj, B&H.

MojSan® is regionally known modern sleeping system industry with a quality policy built up in accordance with the most demanding international and European standards in this area. The use of environmentally friendly materials, the implementation of quality management systems, the improvement of production cycle, the education of our own human resources and the monitoring of the entire process has been the focus of the MojSan® brand.

Moj San® follows the trends in the hotel industry and we are in a position to offer products to equip accommodation capacities according to categorizing and standardizing these types of facilities.

The hotel's mattress programs meet standards of high hardness and hard-burning. In our offer we have developed special mattress models, box spring beds and bedding programs that we are able to adapt to your specific requirements. Our innovative, professional and dedicated approach is recognized by our users thanks to them we have gained the reputation of a desirable business partner.

If you are looking for a reliable business partner to equip your accommodation facilities Moj San ® expert team is there for you.
