

BILATERAL MEETINGS

Thursday 09:30 - 15:30

DESCRIPTION Polyclinic "Dr. Šabić "is a health institution that was conceived and established in 2003 as a private healthcare institution specializing in all medical services involving a top team of specialists with laboratory and physical therapy. Maximum focus on the patient, with an emphasis on the superior equipment and availability of preventive and non-invasive diagnostic methods, provides early detection and treatment of a large number of diseases. In line with the development of medicine in the world, and with great progress in the treatment of diseases, the "Dr. Šabić" Polyclinic is not lagging behind in all segments for the most sought-after foreign polyclinics.
