

## BILATERAL MEETINGS

Thursday 09:30 - 15:30

**DESCRIPTION** Mining, civil engineering and mechanical engineering—these business segments are the pillars of the BBM Group, which has its roots in Germany, and in Bosnia and Herzegovina. Today, BBM offers an international portfolio that is arguably unique in Europe: a composite of segments that operate independently, as well as in harmony for large-scale projects. Our customers benefit from a comprehensive offering that covers every aspect and stage of their project
