## Bilateral Meetings

- Thursday 09:30 - 15:30

### Description

SPRIND d.d. has been established in 1982 and has an annual production of more than 6000 tons. Today, it represents one of the leaders concerning food production in Bosnia and Herzegovina. It functions as a producer of all sorts of bread and bread-related products (cakes, sandwiches, pastry, etc) with the latest machinery and equipment.

The quality you have recognized in our products is a result of many years of experience that we've been building together for generations. Our phyllo, cakes, frozen and bakery products are present in your homes for almost 40 years, and You take most credit for it. We at SPRIND wish you many more years to enjoy our products, and our task in the future will be complete commitment to the highest quality, you are accustomed to.
