

BILATERAL MEETINGS

Thursday 09:30 - 15:30

DESCRIPTION In 1988, Elatec GmbH was founded by two private shareholders from Munich, Germany. At that time, Elatec GmbH had its focus on the distribution of Electronic components (such as displays, touch screens and embedded PCs) in Eastern Europe. In 1990 Elatec GmbH started with the new business unit Card Solutions for the mobile sector consisting of distribution of Telecom products such as SIM Cards plus packaging and Scratch Cards which has been drastically changed since that time. Elatec has achieved SAS certification as manufacturer and solution provider for MNO's and MVNO's.
